Subject: Internship Completion Certificate in Microbiology and Water Quality

This is certified that **Mr. Dipesh Thapa** (Son of Mr. Ram Bahadur Thapa and Mrs. Chija Kumari Thapa), with a bachelor's degree in Microbiology has completed 3 months of internship training at Pokhara natural food and Beverages Pvt. Ltd from 2nd December 2022 to 4th March 2023. He has demonstrated exceptional dedication, professionalism, and a keen interest in project work.

His contributions to our ongoing water quality analysis and microbial research projects have been invaluable. His ability to learn quickly, work independently, and collaborate with team members has significantly enhanced our research outcomes. The skills he has honed during this internship, such as research, microbial Analysis, laboratory Techniques (culture techniques, water Sampling, pathogen detection, biofilm analysis, antibiotic resistance testing, water treatment processes, data analysis and interpretation, quality control, and assurance, and environmental impact assessment will undoubtedly serve him well in his future career endeavors.

We commend **Mr. Dipesh Thapa** for his hard work and achievements. We are confident that the skills he has gained during this internship will serve them well in his future academic and professional endeavors.

Congratulations once again on your successful completion of the internship program.

Sincerely,
Factory Manager

GROUP FOR TECHNICAL ASSISTANCE

24 January 2024

Letter of Experience

This is to certify that **Mr. Dipesh Thapa** has served as a **Research Assistant** from April to June 2023, and September to October 2023 at Group for Technical Assistance (GTA), a non-government organization located in Lalitpur, Nepal. He has exhibited remarkable dedication and an exceptional aptitude for supporting the oral cholera vaccination.

As a Research Assistant, he played a pivotal role in maintaining the immunization log of the "Oral Cholera Vaccination" campaign, organized by the Epidemiology and Disease Control Division (EDCD), Department of Health Services, Ministry of Health and Population of Nepal. He demonstrated remarkable communication skills and can interact with diverse stakeholders, including the general public, government officials, and other organizations involved in the campaign.

We are confident that he will continue to excel and make significant contributions wherever his career path takes them.

If you require additional information or have any queries, please let us know.

Best Wishes,

Date: 2nd Feb 2025

To Whom It May Concern

This is to certify that **Mr. Dipesh Thapa** has been working as a Sales Executive at Gautam International PVT. LTD (an importer of Coral Clinical Systems) since Dec 24, 2023. During his tenure, he was instrumental in promoting and selling biochemistry reagents, consistently exceeding sales targets, and expanding our market presence in Nepal.

His key responsibilities included managing client relationships (health care professionals), conducting market research, and providing technical support to ensure customer satisfaction. He also collaborated with the Research and Development (R&D) team, providing valuable customer feedback, and data and helping to test and refine biochemistry reagents.

Mr. Dipesh Thapa effectively combined his sales expertise with technical knowledge of biochemistry reagents, contributing to product improvements and helping to enhance our competitive edge.

We appreciate his contributions and wish him continued success in his career.

Sincerely,
Sanat Kumar Gautam
